VIRGIN TERRITORY

READER FORUM FOR HOT TOPICS, QUESTIONS, COMMENTS AND SUGGESTIONS.

Karmen is another of our most fuckable teenage flatties.

Can't Get Enough of Latinas and Little Tits

Dear Virgin Territory,

I had lots of favorites (as usual) in the May '13 issue of your mag. The first was Mercedes. You guys don't have too many Latina (or Latina-looking) teens, so I'm always extra-excited when I find one. It was great to read about how she has an especially dirty mind. I love filthy-minded girls. They're always much better fucks. Plus she looked sensational in the pictures with the toy.

Second on my list was Mae. She was

just my style. Petite. Slender. Sweet looking. I shot a thick, heavy load all over page 83, where she's stuffing her pretty, pink twat with her two fingers.

Kira was also delicious to cum to. She looks like she's probably a hell of a dick-draining tease. What I wouldn't give to splooge all over that flat-as-a-board chest of hers. She's got a truly incredible body and an adorable smile. I can't wait to see her sucking cock and sitting on dick like the professional porn starlet I hope she becomes.

Please let me know if I can find any video of these three lovely, young ladies. Especially if they're being stuffed with cock in them. There really aren't enough flatties willing to take off their clothes in the world.—R.Q., Wichita, Kansas

Dear R.Q.,

We're happy to hear you love flatties as much as we do. Here's a pic of another one of our teeny-titted cuties, Karmen. You can watch

Mercedes doing XXX in our Oct. '10 issue, (backorder now on page 10). Mae can be seen in Glazed Teens and Flat & Fucked 6. And watch super-flattie Kira get her ass nailed on 18eighteen.com!

Well Giddy Up, Mindy!

Dear Virgin Territory,

Mindy was amazing all soaped up in her cute cowboy hat in the May '13 issue of *18eighteen*. What a hottie! She got my cock nice and hard instantly and got me to cum multiple times. It'd been a while since a girl got me so riled up. I hope you'll consider featuring her again, maybe even making her a cover or centerfold girl. She's a Cali girl too, so I hope somehow I get to run into her and maybe even watch her lather up for my car as well.

The first picture that made me fall in love with her is the one on the bottom of page 68. That come-hither smile made me cum like crazy. Mindy has my favorite body type. Slender but not too thin, with smallish breasts and a firm-looking ass that begs to be spanked! She must be the ultimate lay. I also love the top photo of her on page 73, all nice and slippery and covered in foam from the car/bike wash.

The close up of her pussy on page 74 is horrible only because it's the biggest cock tease ever! I keep touching it hoping I'll be able to feel her soft folds around my fingers and horny cock, but no dice. I sincerely love the photo to the left and right of that one too, seeing her torso slick and shiny. I wish she could just ride me all night long!—K.R., Sonora, California

Dear K.R.,

Mindy's horny fans are hoping she'll show off more of her hairless pussy and ass soon.

We love it when readers find a new girl that piques their interest. Unfortunately, this is the only set we have of Mindy for now, but we hope she reads

Native American Pussy and New Column Ideas

Dear Virgin Territory,
I won't

beat around the bush, but I will get to the point. First of all, I'd like to say thank you for models like Lara in February '13, "Fresh Meat of Legal Age." She's got the face of an angel and has the most delectable pussy I've ever seen. Combined with her legendary, suckable nipples, she is an unbelievable girl.

Now, on behalf of many or all of your loyal subscribers, I have a request—a change in your *18eighteen* magazine to be more realistic. Totally realistic as in *Virgin Territory*—using

real letters from your loyal subscribers, like mine, compared to your mock interviews with models or feature stories and illustrations, which are so dull. To me it just messes up the image of your publication. Imagine what you could do in the porn business without all the bullshit.

How about a "How To..." or an "Ask The..." column for advice for men and women alike? Next, have some of your models pose in different sexual positions—difficult and unimagined positions, like in the Kama Sutra. This way, your magazine would be where all your loyal subscribers get their kicks as well as their

Finally, as Native Americans, we are taught to respect who we are and where we come from, but sometimes I imagine a few of us step over the line of taboos. A Native American as a model for *18eighteen* would be the grand shebang!—K.G. via e-mail

These are some interesting suggestions. We'll be taking them into

Dominated Teens

Dear Virgin Territory,

I'm bored with the usual suggested improvements:

- Toys/No toys
- Natural/Shaven
- Stud/Solo
- Skinny/Curvy

Just three 'radical' suggestions to improve your already excellent mag:
1. Lecherous old man or woman, or best of all two old women dominating

a teen girl. Bin all of your studs.

2. Pervy dildos and realistic, bell-ended 'cock' dildos, especially for anal. Bin the 'pencil' dildos, although I don't mind the G-spot ones so much.
3. For all solo, anal dildoing, the girl should be lying on her side so that her ass is fully spread and we see 'everything.' Alternatively, riding a suction-cup 'cock' dildo or straddling the arm of a sofa would be extra yummy.

Of all the things I like about your mag, one that stands out is the full-length standing shots: front, side, rear (especially rear—yummy yum yum!) You listened and gave us what we wanted. I fully realize there are censorship issues in the UK edition of which we non-industry people are unaware, so please keep up the good work online and in your International mag.—Anonymous via e-mail

Dear Anonymous,

Thanks for writing with your suggestions. We'll certainly keep them in mind for future issues! Happy you've been enjoying the full-length shots.

The Naughty Professor

Dear Virgin Territory,

I was so happy to see and read your Candy pictorial in the May '13 issue of *18eighteen*. I loved hearing how she was so horny for her professor and about their back-alley fuck. It was incredibly hot to read about.

I'm actually a professor at the local community college and I teach

English 101 to a variety of svelte, sweet-looking young ladies who are constantly a blessing and a curse. Unfortunately as a professor, I can't really indulge in these fantasies too much without having to face some serious repercussions were I to get caught. These young students of mine are too much to handle sometimes though! I often think I would suffer the consequences with a smile on my face were I to be able to first bury my tongue in one of these girl's snatches.

I have several female students who always sit in the front row. I'm a young professor so I understand some of them might be attracted to me, but they make it so difficult wearing these tiny shorts and skirts to class every day. They tend to stay after class to ask me questions on the text, but sometimes it's things I know I went over in class and yet they keep on. By the time they all leave, I'm just about ready to bust through my boxer shorts. I have to masturbate furiously five or six times a day between classes and after work just to get by.

I fantasize about all the different girls in my classes. I have favorites in each one. My Monday and Wednesdays 10 a.m. class is Rita, an adorable redhead with lots of freckles and exceptional tits, and she knows they are because she's always wearing low-cut tops. Then at noon, it's Sheri, with the long, tanned legs and thick ass. She's constantly asking me for reading suggestions, but also likes

to sit with her legs open during lecture. She has been the fuel for many spank sessions. I love to imagine cumming inside her fresh cunt and make her stand so I can watch the jizz slide out and down her legs.

Tuesday and Thursday afternoons, it's a tie between Elaine with the brown curls and little, blonde Amy. Amy reminds me a lot of Candy, actually. They've both got this insanely innocent look to them, like they would even blush at the thought of having sex. Even when Candy uses a vibrator, she looks like she's trying to be polite to her pussy, smiling ever so softly in pleasure.

Maybe some day I won't be such a

Wonderful and simply lovely set of the precociously busty Robin in the June '01 issue, taken in an evidently long-gone, never to be seen again innocent era of erotic photography.

I long for the days when girlie mags published the kind of girls I dreamed of and always wanted to see in the nude, the girl-next-door types: girls I saw on the bus, shopping, standing on the corner after a day's classes at college. In other words, "real" girls, without the tattoos, excessive body piercing jewelry, the needless and distractible toys, and ones who aren't doing, as many models are now, hardcore on the side. Agenda-free, solo, nude girlie pictures, so to say.

coward and I'll have a great encounter with a student (or perhaps at the very least former student) the way Candy and her professor did. That would be a dream come true.—J.T., Albuquerque, New Mexico

Dear J.T.,

Thanks for sharing your "student body" fantasies. We've met a few girls here who had a thing for their professors. Hopefully you get to live out your own college girl experience soon enough!

Where Have All The "Real" Girls Gone?

Dear Virgin Territory,

This classic set of Robin is exactly the type I think *18eighteen* needs to re-focus on. Bring back the innocent era of *Babyface Magazine*, where one could enjoy truly innocent just-coming-of-age women for their erotic beauty, as it exists on its own merit.—R.S., San Francisco, California

Dear R.S.,

It's great to hear you've been such a long-time fan. Robin was a terrific model and we hope to continue publishing as many "real" girls as we can for your viewing pleasure. Check out the photo of Rilee on the previous page, who is another of our busty, classic teen beauties.

VIRGIN TERRITORY

Continued from page 8

Get Naked Outdoors

Dear Virgin Territory,

Girls like Diana from your May '13 issue (as in, girls who like to fuck outdoors) need to come to my town ASAP I have a thing for screwing outside, too. I like being in nature and sometimes it makes the whole experience much more animalistic.

A few weeks ago, my girlfriend and I were out for a drive and she started playing with my cock, teasing over my jeans and then pulling it out and tugging on it softly. We drove for a while as I got harder and hornier and eventually I stopped the car on the side of the deserted dirt road.

The sun was going down a bit and we were both so turned on we didn't care if anyone saw us. She opened the passenger side door. I walked over and she sucked my cock good. Then she got outside, hiked up her skirt and took off her panties, and when she bent over, I immediately began fucking her, my feet digging in to the mud while my cock slid in and out of her pussy. We fucked for a while, not caring if anyone were to come by, though luckily no one ever did 'til after we were beyond spent, resting comfortably in the car in post-orgasmic bliss.

Getting naked outside with the chance of getting caught is just a whole other experience. Back to the magazine though...I loved seeing the goosebumps on Diana's sweet, teen ass on the picture on page 21 and on her lovely tit mouthfuls on page 22. Her butt looks like it would be so soft and tender to squeeze and nibble and maybe even to fuck if she'd let my dick penetrate her teeny asshole! And I just want to suck on her pointy, little nipples until I see her shudder to orgasm. My only regret is that this was not a hardcore set. However, if Diana were willing to pose again, please ask her to do XXX outdoors. It would fulfill a great desire. Thanks.—F.J., Duluth, Minnesota

This little sex-kitten is ready to pounce...

Maggie isn't the kind of girl to get tied down to just one guy. She's a big-time flirt with a bad case of wandering eye and a horny cunny. She flirts with all the boys at school, and then flirts with her swim coach and teammates all afternoon. "It's really nice to get all of that attention," she says.

HEIGHT: 5'2" **WEIGHT:** 102 lbs.
BRA SIZE: 32A **BORN:** January 5
LIVES: Phoenix, Arizona

What kinds of perks has your flirting gotten you?

"Flirting is like my super power. I've used it a bunch to get into concerts I didn't have tickets for. One time, I just stood by the door of a sold out Radiohead show and flirted with the security guys. Both of 'em were cute; I even rubbed my ass on one of the guys to feel his boner. Once the show had started and people were out of sight, one of them slipped me in. I've also gotten into basketball and even football games like this. I just like having a good time and seeing guys around me have a good time, too. Plus every now and again I'll meet a decent one I'll actually let take me out on a real date."

Where else do you get to flirt?

"At work! I'm a hostess at a sports bar. It's a blast because most of my time is spent flirting with lonely, older guys. They love to chat me up. When my shift ends, I like to go home and rub my clitty, thinking about the hottest guys of the day, how hard I made their cocks and how bad they wanted me."

Mons Venus Is Your Venus

(KEEP IT THAT WAY)

So you've bagged a young'un who actually digs you. Want to keep her happy and in your bed? Here's how.

By Roman Lewis

It's been awhile since we talked about the kittens, and honestly it's good to be back. I took a bit of a break 'round the holidays—so many commitments to work and family and basically going from house to house getting fat on everyone's homemade

cookies slowed the old guy down a little, but I'm back. It's early in 2013 and I've slimmed back down to minimal midlife paunch and I'm ready to tackle some of the letters and requests I've let pile up.

Not surprisingly, most of my mail

falls into two categories. "How can I get a sweet, young thing interested in an old bastard like me?" is always No. 1. Always. This time, I'm going to tackle the second-place question. This one pours in like clockwork at the beginning of the year when the lucky ones among you, astonished older gents, pie-eyed after a season of peppermint-scented holiday poontang, sit wondering how they got an 18-year-old girl (or thereabouts) to fuck them and then begin to panic that soon she's going to decide to stop.

"Roman, what should I do?" they write in anxiously. "Somehow I managed to scrape together enough charm (and jewelry) to get her into my bed, and now I'm addicted. Is there anything at all that I can do to keep her turned on? Please help!"

Well, friends, first off, let me say that my little girly and I get a good kick out of reading your letters in bed, so thanks. Second: sure, I'll help. I'm a stand-up guy that way. And I may even enlist the help of my favorite filly (whose feet are painfully cold, but for the goodness she gives up, I'll let her cram them beneath me afterwards). She knows a thing or two about how young girls think, too. Perhaps even more than I.

Lick The Pussy, Stupid

First I'd like to address Marv, a 46-year-old contractor from the southeastern United States where, he writes, "God was good enough to bless me with a 20-year-old redhead convenience-store clerk/community college student who loves lying out in the backyard with her feet in a blow-up pool and nothin' on under her Daisy Dukes...." Damn. That sure is a mighty lot to be thankful for, Friend. Good on ya.

Marv makes a good living, but doesn't want to spend his retirement account buying baby everything else in the world besides underwear to keep her rear-end out back in his deck chair. A fair point. Now, if the backyard is private, I highly recommend very regular tongue lashings to Little Miss Firecrotch. Skilled ones.

My friend, the absolute, hallowed key to keeping your young lady happy (or any lady, if you just happen

to be reading this at a buddy's house and you like your women a little more seasoned—hey, old maids need love, too!) is a nice, practiced tongue in the pussy. Can you make them come other ways, via other methods? Sure. But for most of 'em, this is a favorite. Why? One reason for this might be because putting your face deep in her knish is about the best way of demonstrating that you love it. You're practically trying to crawl in face-first, right?

One of the first "young" girls I ever dated (meaning that when I was in my mid-30s, she was barely 20) tried to stop me the first time I started heading downtown. And she had this sweet little blonde pastry puff down there that looked so tasty... But I digress. She stopped me. Why? She'd never let any boy do that to her since her idiot high-school boyfriend told her "girls smell funny down there."

"I have to say," said my girly's friend, Lola, when I asked her about it, "I might have had one or two experiences with guys going down on me when I was 20." She's now 25. "Since opening my eyes to the advantages of dating an older man—my current squeeze is 36—I've not only learned more about life through their eyes, I've learned TONS in the bedroom. The older men I've been with are more patient. They last longer, if you know what I mean," she giggles. "But even when they go off like a rocket, they know the party's not over."

I ask her to explain and her cheeks flush. She twirls her blondish-brown ponytail a little. She crosses and uncrosses her legs. She's not used to

sitting in my journalistic hot seat. My girlfriend laughs, reminding her that this isn't Oprah and there are no cameras. "Well, my first real boyfriend-boyfriend was the

Go slow. Go fast. Be gentle. Spread her open. Use your fingers.

same age as me. And pretty much every time we fooled around, once he was done—we were done. Period."

That's pretty sad, I told her.

"Yeah," she says, "I thought so, too. You grow up seeing movies and reading romance novels or whatever and you get this idea in your head that sex is supposed to be POW POW POW! But I talked to my closer friends—the ones who had someone, whether it was a boyfriend or just friend-with-benefits—and none of them had much in the way of rave reviews for any of their early-20's beaus either...."

Then she met Scott. He was her first older guy. "I'd still be with him, but I was a bad girl and fell for someone married. That arrangement eventually didn't work out for me. I wanted to be the No. 1 girl. That said, he was so phenomenal in bed I was sure I'd never find anyone else who turned me on like he did. He'd spend forever on foreplay—sucking my nipples, touching me all over. He actually liked keeping his clothes on while I was naked! He'd make me come once, twice, three times before I even really touched him sometimes. This was the sex I'd read about in the books!"

It was also the first time she'd gotten oral. When I ask her about it, I can see her nips pop out through her tank top like the turkeys are done cooking. She even shudders a little.

"Oh. My God," she giggles. "It's still my favorite thing. The softness. The wetness. The way it stays gentle even when it gets 'harder.'

Nothing makes me come like that. Especially when you tease me and get me almost there and then dial it back a little? I come even harder. Young guys, in my experience, just want to get their dicks wet."

Being older and more mature is a weapon in your arsenal, Gentlemen. Use it. Letting your girl know how much you love licking her girl parts is the first step. The second is actually being good at it. It's not a hands-free pie-eating contest,

so don't be a gorilla. Have some freaking finesse. Go slow. Go fast. Be gentle. Spread her open. Use your fingers. Talk to her a little while you're doing it. Tell her how beautiful it is and let her know it turns you on.

Ask her how she likes it and try getting some instruction. "It doesn't make you look like you don't know how," my girlfriend adds, "it makes you look like you understand that no two girls are alike." You want to make sure she gets her cunnilingus custom—just the way she likes it. Because you're mature, you understand that sex isn't a one-way street, that she's not just there to please you alone.

I asked my lady why she liked getting oral (I was hoping to get a few sexy details they way Lola gave me) but she just rolled her eyes. "Why do you like it?" she deadpanned.

Excellent point.

Be A Man

Okay, you've got a dick and hopefully two balls. But if you think that's all it takes to be macho, I know a couple of female corrections officers I'd like you to meet. Younger women who are genuinely attracted to older

men, whether consciously or unconsciously, are looking for someone who can—at least to some extent—take care of them in a way.

Jon, 40, wrote in about this 23-year-old girl—the daughter of a former work acquaintance—he'd had the pleasure of hooking up with once, but has so far been unable to coax back into his bed. But get this: he's been staying with a friend for the past year because he's unemployed.

Dude, I don't want to burst your bubble, but I think getting a job should be your apex priority. A girl in her 20s expects more from a 40-year-old potential love (or even just sex) partner than she does the dopey guys her own age who are just starting out. You need to get your shit together. Clean yourself up; get some gainful employment and your own place for crying out loud. A beautiful

ed to buy something I didn't really need, I had to finance it myself!"

Her end-game with the young guys—the little boys—came at 21.

"There was this one really cute guy my friends and I had always talked about. Athletic, nice car, handsome—all those things that on the surface make him look like someone you'd want to get with, right? He asks me out and my friends are all jealous," she laughs, "the good kind, but still..."

"Anyway, we head out to this sort of swanky bar in a nice hotel. Slightly older crowd, young professionals, everyone's dressed really nice and the drinks are like \$10 each. Cosmos and whatnot like *Sex in the City*. I think I'm about to be shown a nice evening.

"We have a couple of cocktails. We're getting cozy in a nice booth. We even kiss a little. (Editor's Note: I'm actually getting a little jealous as she tells this story...) and so he says,

She's vibrant and full of all kinds of amazing energy, including the sexual kind.

young thing deserves to be taken care of, even spoiled a little—especially if she's giving up the goods. Consider yourself lucky that she slipped for one night and be happy you tapped it at all. That's like hitting Powerball.

"There's nothing wrong with college boys, per se," says my lady, "it's just that they're just that: boys."

She'd toolled around the college dating scene in the same way everyone her age does, and found there was little to get excited about.

"They can be fun," she says, "but they're still so immature. Their moms are still packing their lunches to a degree. Some of them don't even have jobs! What's up with that? My parents stopped giving me money for the movies when I was 15. If I want-

'Let's get out of here,' or something, all suave like that and I'm actually entertaining the idea of sleeping with him. The waitress comes and asks if we need anything else and he

says—with no shame—'Separate checks, please, honey."

She and the waitress—perhaps three or four years older—exchange looks.

"My jaw just dropped and she and I looked at each other. He saw the whole thing and his face turned beet red. His game is very obviously exposed. All of a sudden it becomes clear the BMW convertible is a gift from mommy and daddy and he's out playing dress up, hoping I'm going to suck his dick. You'd think he'd have had the sense to ask them for money for his date, but I guess the girls were so used to it that up until now they'd let him get away with it. But that was it. I was done. And no, Roman, I did not have sex with him!"

Thank God for that.

The moral of the story is that maybe cute little boys can get away with the baby shit for a little while, but you're a grown-ass man, so buck up and start acting like one. Your age is not a liability, it's an advantage. Make sure you have your act together and you'll sweep her off her feet like Prince Freaking Charming.

Advice From The Beach Boys

And by that, I mean: fun, fun, fun!

"What do you mean, Roman?" guys will ask. "I'm fun! All my friends say so and they LOVE me!"

Maybe. But most young women, aged anywhere between 18 to 26 aren't interested in drinking and fishing and talking about how much better things were back in the 80's when you still actually had hair. They hadn't even been born yet—why should they? Keep that in mind.

Let's remember, for a moment, the reason you want to date this sexy young woman in question and not women your own age (or the one you're still married to). She's vibrant and full of all kinds of amazing energy, including (and especially) the sexual kind. All her parts are tight and smooth and still in the places they were in when she got her first period. She hasn't been through the mill of life yet. Remember when you were like that? Well, if you think you're fun now, wait until she reminds you of

STACI
Tropical
Titties

A full-page photograph of a young woman with long, wavy, light brown hair. She is sitting on a colorful, patterned beach towel by a swimming pool. She is nude, wearing a colorful, patterned thong. She is smiling and looking towards the camera. The background shows a swimming pool and some greenery.

Staci's been a bit of a nympho since she lost her virginity...

"First time wasn't the best. It hurt a lot, but I fell in love with knowing that it was only going to get better. I've been addicted to dick ever since!"

HEIGHT: 5'2" **WEIGHT:** 110 lbs.
BRA SIZE: 34B **BORN:** May 15
LIVES: Jacksonville, Florida

Hey Staci, what's the craziest thing you've ever done sexually?

"I was at the mall once doing a little shopping when I ran into my ex at the food court. We hadn't seen each other in a while but you could definitely feel the chemistry. We chatted and then he decided to come with me while I went shopping for some underwear. When the dressing room girl wasn't looking, he snuck into my room and we started making out. We got so horny we just had to fuck, and by the end, we got kicked out because I was moaning so loud! We laughed as we walked out. It was awesome."

That's a sexy story! Sounds like you're quite the exhibitionist?

"Absolutely! It's just more fun if you feel like you could get caught. It's why I like to go skinny dipping, too. I'd be naked all the time if I could get away with it. One guy I fool around with loves that about me. The minute I walk into his apartment, it's clothes off time! We'll watch TV naked, eat dinner naked, do the dishes naked and fuck a whole bunch in between. Just being naked gets me super horny, so when I get to walk around naked in front of a man, it keeps my pussy nice and moist."

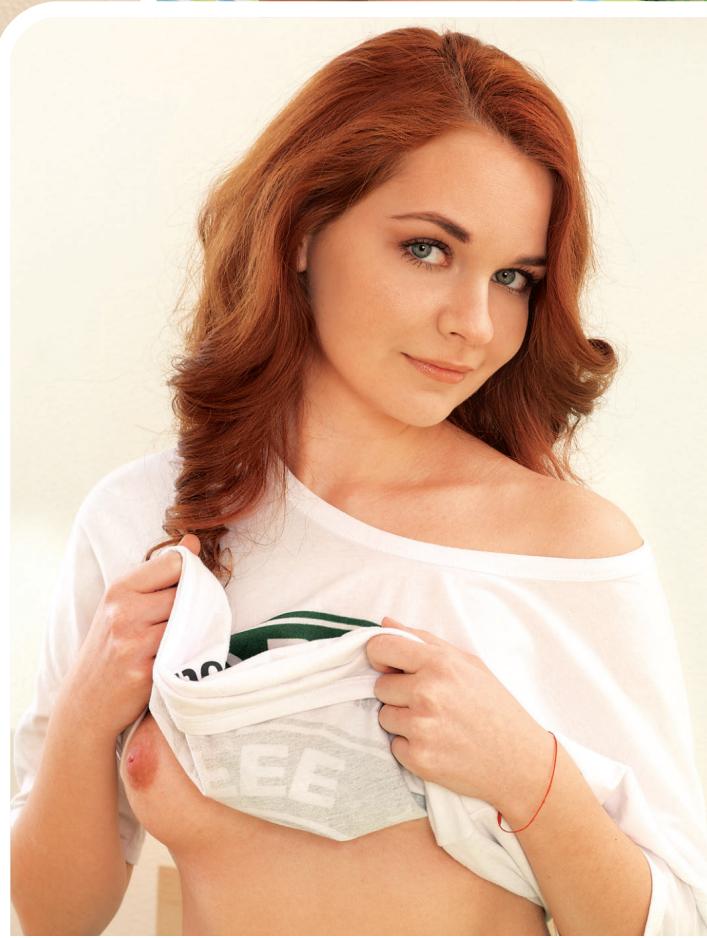

PETRA

Meaty Mound

She likes her pussy to be on display...

Petra's tight, little cunny is a thing of beauty. Petra knows this and she wants it to be appreciated. She's on a mission to put her meaty mound out there for men and women to gaze upon and enjoy.

"The first time a boy saw me naked, his jaw dropped when he saw how snug my pussy looked. He dropped down to his knees then and there and asked me if he could kiss it. No one had ever done that before, but I told him to go for it, and when he did, it was like something inside me lit up. Getting eaten out was the ultimate form of pussy worship. I can't wait to meet more worshippers...."

**Her cunny is
so delicious
it deserves
daily tongue
lashings...**

"I've always been a horny girl. My clit is extra-sensitive and even the slightest thing rubbing against it gets my juices flowing. Since I sleep naked, sometimes I'll wake up horny because the sheets or a pillow end up pressing against my cunny. The best is when someone wakes me up with their tongue on my clitty. If I could get my pussy eaten daily, I'd be the happiest girl alive."

HEIGHT: 5'3" **WEIGHT:** 112 lbs.
BRA SIZE: 34B **BORN:** Nov. 18
LIVES: New York, New York

So what else gets that wet shitty of yours even slicker, Petra?

"I like to think about the naughtiest things possible. Like my best friend's boyfriend. Sometimes I'll catch him staring at my ass when he thinks she and I aren't looking. I like to imagine running into him in a stairwell someplace and having him confess his eternal hard-on for me. I would gladly spread my legs so he could do a little worshipping of his own. I also like to picture his girl-friend watching us while we fuck and watching her pussy juices drip out while she cums at the sight of us. God, I'm wet already!"

SAKURA

Naughty Girl

Welcome, Sakura! Are you sure you're 18?

[Laughs] I get that all the time, but I've been 18 for a few months now already. I never realized how much guys are into younger-looking girls. I used to think it was a shame I didn't have much of anything in the way of boobs, but so many guys love my flat, little chest that now I see it as a good thing. Hurray for flatties!"

HEIGHT: 5'2" **WEIGHT:** 99 lbs.
BRA SIZE: 32A **BORN:** June 10
LIVES: Portland, Oregon

Is that what made you decide to pose for us?

"Well, I was really excited to find a magazine that doesn't try to cover up flatties with super-padded bras or boob jobs. I'm happy to show off my bitty titties across the pages of *18eighteen*. Plus, I've never done anything like this before. I wanted to show people that you don't have to be a certain type of girl to do this. Even nice, quiet girls are horny and like to get naked in front of the lens now and again."

Sakura
18 eighteen™

Definitely. So tell us, have you had much experience with guys?

"I haven't gone all the way yet, but I've done other stuff, like give blow jobs. Older guys hit on me the most, and a lot of the time, they're just happy to see me without my clothes. I've met a few guys who just wanted me to lie naked on their bed and touch myself so they could watch. It makes me horny seeing them watch me like that. I'm not prude, but I'm still waiting for the right moment to give up my virginity. Maybe soon?"

A photograph of a young woman with long, wavy brown hair, smiling and looking towards the camera. She is nude and is sitting on a dark, textured rock. Her hands are positioned on her hips, and she is holding her legs apart, revealing her vulva. She is wearing a pair of sunglasses perched on her head. The background consists of more rocks and a bright, clear sky.

Ginger

A large circular inset showing a woman in a pink bikini climbing a tree. She is leaning forward, her hands gripping the trunk, and her legs are wrapped around it. She is looking over her shoulder at the camera. The background shows a clear sky and some palm trees.

Ava

These girls don't care who ends up seeing their delicious cooters! Jeanie likes to get warm after a good swim, sitting naked on the rocks and giving a peek of pink to whoever's around. Ginger and Jenna both get wet before they even get in the pool. Horny Ava even likes climbing trees nude! Way hot!

Hailey

Sexy, outdoor fun doesn't just happen at the pool or at the beach, although that's where Mia and Gia both like to get naked the most. Georgia likes working on her tan in her own backyard, but since she hates tan lines, she always strips down to nothing, which gives her male neighbors quite the boner. Hailey likes to wait until she's out in the forest to strip. She likes to take little nature walks. Fiona gets so horny after soccer practice sometimes, she'll take off her uniform and rub her clit on the field!

Luccia

Jessie looks innocent, but she's always the first one to take off her bikini top in the summer while Kali prefers to just flash her teen titties when she's outdoors. Luccia and Franziska are expert pool-side teases. Their waxed pussies are just aching for dick. Chastity gives us a great view of her ass in the woods and Holly smiles as she puts her cunny on display.

how much fun you USED to be.

She will. Just let her.

How?

"You have to show her a good time everywhere," says Milady, looking adorable in her tiny purple cotton panties and a pair of white athletic socks—one of my favorite looks on her, as a matter of fact. (Possible topic for another column: "Why I Prefer Cotton Panties To Lace." Let me know what you think, Fellas).

"When Roman and I met, he'd take

money when you're sitting in that fruity-smelling chair at the lingerie store and you see what she's taking into the dressing room! I never had the balls to follow her in there (those chicks who work there will watch you like a hawk; I can only imagine the stuff they'd have to deal with if they didn't!) but just knowing I'll get to see it on her later is enough to grease my wallet wide open.

"The POINT," my girl interrupts, "is that it's not really just about spending money on her. Anyone can do that. There are relationship arrangements a few girls I've known have with their older men that are solely based on the 'gifts' they

or fighting super villains in space.

"I may call Roman 'Daddy' sometimes when we're going at it," my sweet girly jokes, "but if he ever showed up here looking like my father, I'd have to send him packing."

It's true. I may wear hole-ridden sweats at home in my man-cave, but even when I'm laying around on the couch with the Missy for Sunday football, I'm always sure to show up showered and shaven. My friends think it's BS because she and I have been dating for so long, but honestly guys: it's not. I'm not sure if it's an age-thing or what have you, but if you're going to present yourself as a sincerely better alternative to the 25-year-old boys who live on pizza and still have a six-pack because you bring more to the table, you have to show up dressed properly for dinner.

"It's not that you can't relax," says Lola, who admits she loves a man in a nice suit. "Of course you're not going to show up for a day on the boat or an afternoon jog in the park wearing a tie! But you should still put a little effort into how you look. I love miniskirts and I wear them all the time—but not to job interviews where I want to convey the idea that I'm responsible, trustworthy, and professional. Unless he's in the backyard giving his dog a bath or changing the oil in his car, I do not want to see ratty old t-shirts in my man's wardrobe. And I want him to smell nice."

Hear that, men? It is high time to get metro sexual if you want to bone up on being heterosexual.

"Smelling good," says my girl, "will get you laid. I promise. I love buying Roman cologne." (And believe you me, for someone who never wore it before, it was a tough sell convincing the wife that I'd suddenly 'discovered' Jean Paul Gaultier's Le Male. And yes, I am cracking up as I write this. Luckily, it was a change she enjoyed once the initial suspicion wore off.) "Just make sure you don't put on too much," Lola adds. "It smacks of not just inexperienced, but also a little desperation. I don't really want to smell it until I'm very close to you. And see, by then it just becomes like a cherry

me out in the woods on long hikes, he'd teach me things about the forest and the nature there, tell me stories about growing up and going out in the forest with his dad. He shared with me. And he wanted me to share with him. Yes, I know it sounds hokey, and he's a smart-ass, so the guys don't see that side of him, but he was as generous with his time as he could be. And adventurous! Like one time, we went on a deep-sea fishing trip—something I never once in my life thought I'd do—and amen and hallelujah, he even tolerated shopping with me once in awhile!"

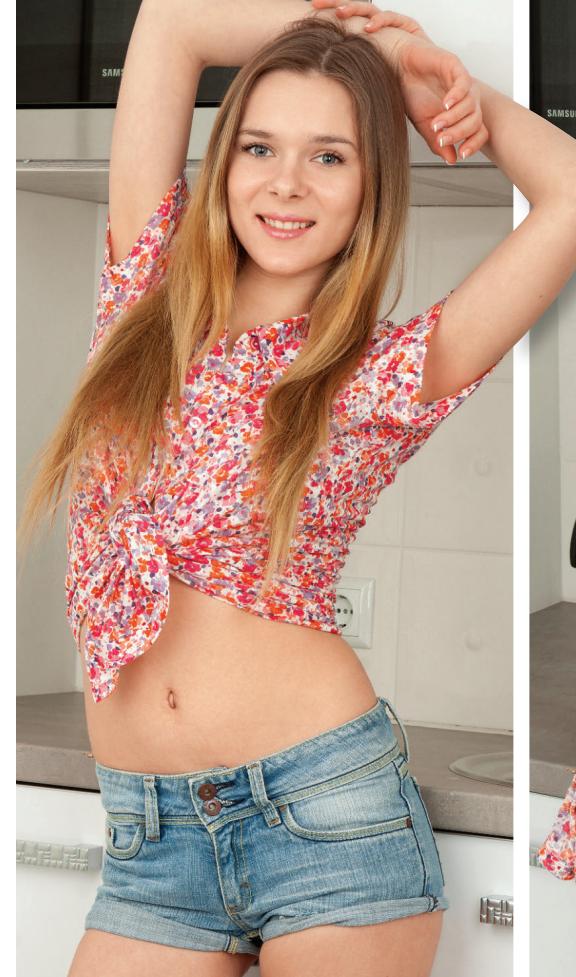

It's true. I pretend to be tough, but you'll find out how easy it is to spend

receive. I have another word for that actually, and it has nothing to do with boyfriend..." She certainly doesn't mince words, this one.

"You don't want a gold-digger, do you? What you want is a pretty, cute thing who actually, truly wants to be with you alone! Who LOVES getting naked for you and pleasing you because you make her crazy, too."

Dress To Impress

Maybe you're this girl's very first older man. Or maybe she's been crushing on Sean Connery since her first James Bond movie. Either way, you can take a lesson from 007 himself, who looked put-together whether he was bedding *Pussy Galore*

We asked newcomer Karissa to tell us about her top six turn-ons. This is what she said:

"1. A hard cock on the right person. Nothing beats a hot guy ready to go! 2. Getting my nipples sucked. They love attention. 3. Being watched as I undress. I'm a total exhibitionist. 4. Feeling a dick pressed up against the crack of my ass. That drives me nuts! 5. Hair pulling. Not too rough, but just enough that it controls me a little is totally sexy. 6. Cumming in a guy's mouth! Just thinking about it makes my cunny moisten up."

When was the last time you had sex?

"Two days ago, with a schoolmate of mine. We were sitting around after class, watching television and ignoring the project we were supposed to be working on. He started feeling up my tits under my blouse and within minutes I was naked and straddling his cock."

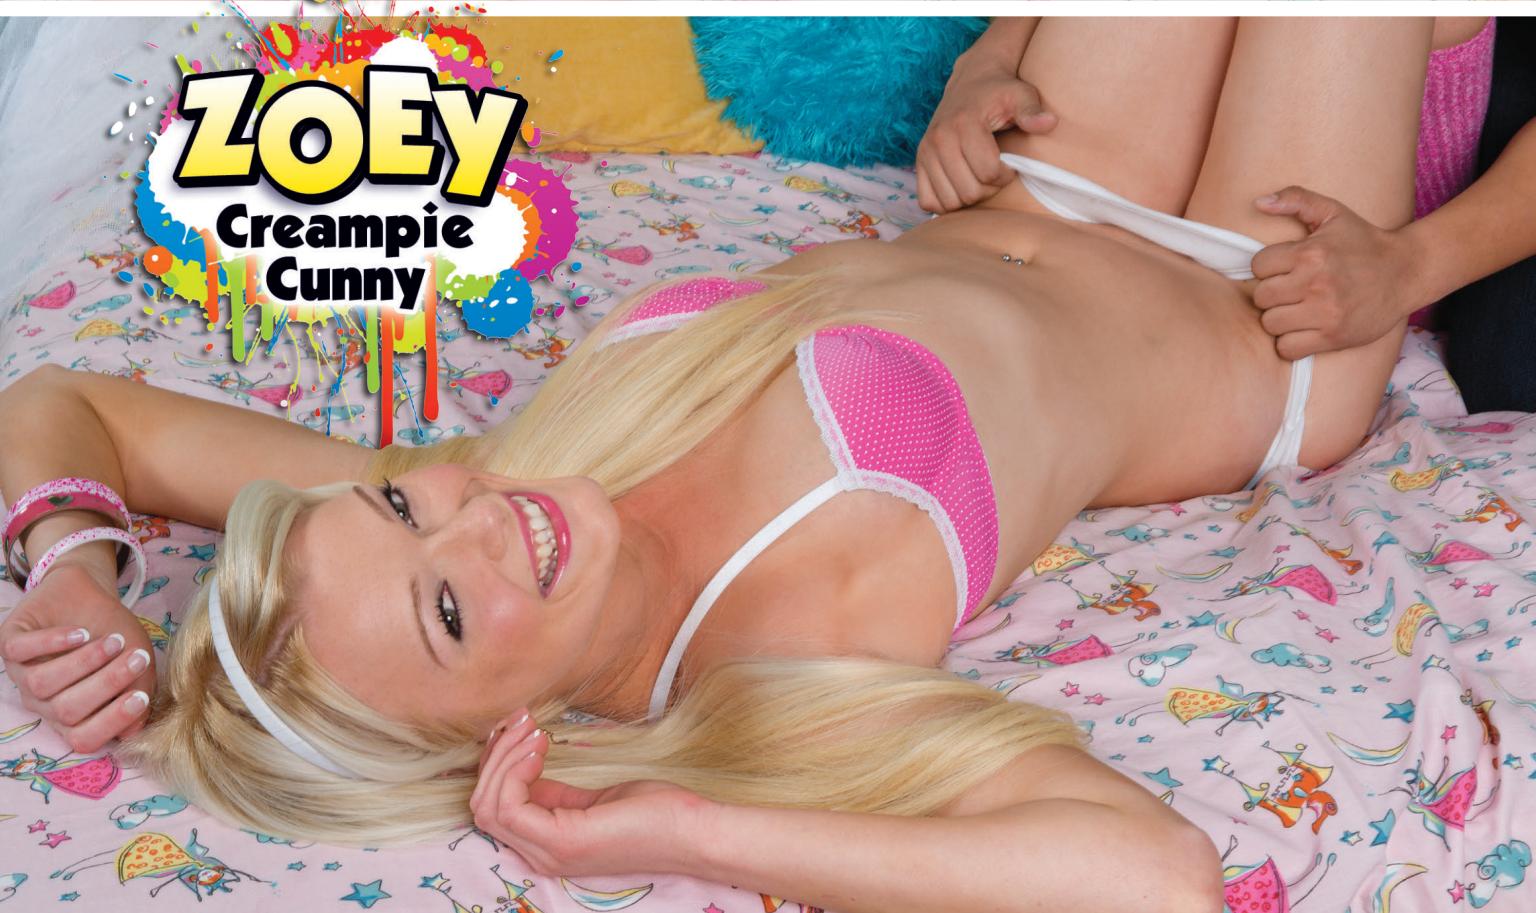

Have you ever had the chance to fuck in the kitchen before?

"I have, actually. My last boyfriend had this really tiny apartment. It was like a closet. Anyway, after awhile fucking on his tiny bed got old, so we we started looking for new places to screw. One night, he just grabbed me and picked me up and put me on the kitchen counter, and it must have been the perfect angle because he had me cumming hard in no time at all!"

Zoey's a horny California cutie who's ripe and ready to bone...

"I lost my virginity in kind of a spontaneous way, to my first boyfriend in a bathroom stall at McDonald's. It wasn't all that great, but I've been doing it more and it keeps getting better. I'm so excited to do it in front of the camera now!"

When it comes to sex, Zoey isn't shy about making the first move...

"I'm the most assertive girl I know. A lot of my girlfriends sit around waiting for a guy to notice them, but they usually end up going home alone. I like to find the guy I want and zero in. I think I have the most sex out of everyone I know."

How can a guy keep your pussy happy, Zoey?

"For starters, I need to get fucked at least three to five times per week. Anything less than that and I get seriously cranky. And even though I like to be assertive, I also like guys that are equally assertive. You can't expect me to do everything. Lazy guys don't get pussy for long. If I'm fucking you, it means I want you to cum, but it also means I want to cum. Usually, I'll have one or two orgasms, but this one guy got me to cum eight times in a row! Oh, and if you're wondering which way to fuck me first, do me doggie-style. It always makes me cum hard."

Ahem, where was I...?

Generosity Is Its Own Reward

We touched upon this earlier, but it's time to hammer it home, so I'm going to get right to the point:

Thinking about your dick will get you precisely that. And one in the hand definitely doesn't beat two in the bush when it comes to sexy time.

"Now that I know what good lovin' is," says Lola, "it's what I've come to expect and know I deserve."

Brittney, you're so hot! Is that what you normally wear?

"Pretty much. I like wearing short shorts to show off my butt and a nice, tight shirt. Or if I'm going some place fancy, I'll wear a little black dress. And thongs, always thongs! I have drawers full of lacey ones—pink, blue, red, purple, yellow, red! I love 'em!"

Tell us a little about your sex life. What satisfies your pussy the most?

"I think I'm having a good start to my sex life. I have sex just about every day if I can help it. I've been with a few older guys, and they definitely seem to be the best at pleasing me. I love getting my neck kissed and having my tits and clit played with simultaneously. It gets my cunny super wet and then I'm rearing to go! I also like when they play with my asshole. Licking, fingering, fucking. Love it! I also like when guys watch me play with my pussy. Being watched makes me super horny. I guess that's why I'm here!"

**Are you a fan of sucking cock?
Spit or swallow?**

"I haven't really gotten my mouth around too many yet, but I love seeing how horny a guy gets when I'm sucking him off. Before, I wouldn't even let a guy jizz near my face, but now I really get why some girls love facials and swallowing. It's just so hot!"

A young, beautiful girl—18, 19, 25, whatever—is a treasure, Gentlemen. Never forget that. She's the special one.

Never forget that. She's the special one. She's the one you need to keep happy. "Because," says Lola, licking those full, sexy lips I'd bet good money taste like strawberry bubble gum, "nothing gets me up on my hands and knees and begging for a sound thumping like my man making me come. Hard. Over and over and over again. Think you can do that?

sweet, succulent cunny between her smooth, perfect thighs—was not only fun for me, it was a new experience for her. One that told her that an older man is also a wiser man. Because he knows what he's got and he's going to make sure that he treats it right.

A dude named Ron (I'm calling him that because I don't want to embarrass him) wrote to tell me he'd "love to fuck young chicks" but his idea of foreplay is "watching them finger their own pussies." Why? Apparently Ron "doesn't like to get his hands or face dirty." Listen, Ron, if touching and licking pussy constitutes getting them dirty in your mind, I think you might be best off just watching porn the rest of your life. Keep yourself happy and for god's sake don't waste time with a gorgeous young thing that might otherwise be hooking up with some other guy who knows how lucky he is.

KRISTiNE

Flattie Freak

Kristine's excited to try her first big cock...

In April '13, super-flattie Kristine debuted in *18eighteen* and gave us all a wonderful glimpse of her slender body and horny pussy. We got to know a little about her freaky side: the public fucking, the threesome, the lezzie sex—so hot! She's been practice fucking different dicks for this occasion, but she's about to get stretched out further than she ever realized was possible. "I've been horny ever since I found out I'd be doing this. I'm dying to see how deep his dick will fill up my cunny and what his cock and cum will taste like."

**How do you
feel about big
dicks now that

"Big cocks are the best thing ever! This guy reached parts deep inside me I don't think I even knew I had! I soaked his cock with my pussy juice!"

**What part of

you like guys to
